

Make your next minute matter.

Register as an organ and tissue donor and help save lives!

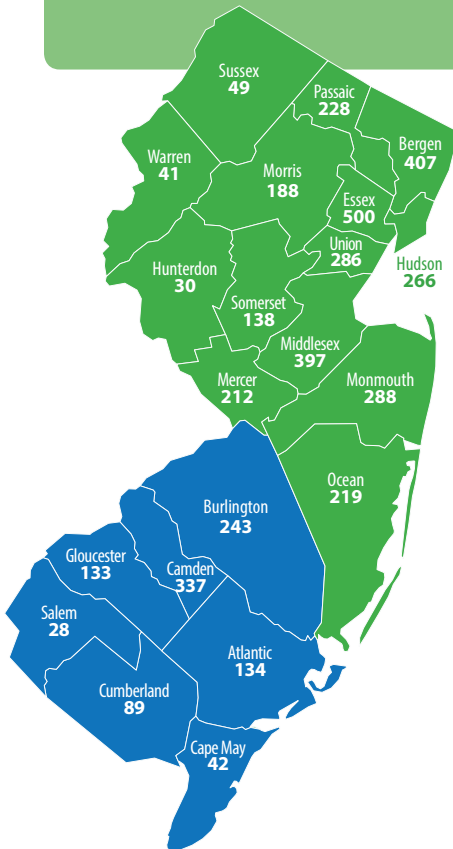

Registration takes less than one minute with 3 easy ways to sign up:

- 1. iPhone Health App**
iPhone users with iOS 10 and above can quickly and easily join the National Donate Life Registry using the Health app
- 2. Online at www.registerme.org**
(mobile-friendly)
- 3. Visit your local Motor Vehicle Agency**

Saying "yes" is legal consent to the donation of your organs and tissue for transplantation and therapy. For those 18 years and older, your decision to donate cannot be revoked by anyone but you.

Those waiting... NJ residents by county

Source: United Network for Organ Sharing (UNOS) — Data fluctuates daily and represents approximate number of NJ residents waiting for an organ transplant.

If you live in northern or central NJ contact:

DID YOU KNOW?

- One organ and tissue donor can save 8 lives and restore health to over 75 others
- Approximately 115,000 people in the U.S. are waiting for a life-saving organ transplant. Nearly 4,000 are New Jersey residents
- 20 people die waiting for an organ transplant each day
- Most religions view donation as the ultimate act of compassion and generosity
- People of all ages and medical histories can be potential organ and tissue donors
- Your medical care will not be compromised because of your decision to donate
- There is no cost to be an organ and tissue donor... donation is a gift

Chris Bautista, father of organ and tissue donor, Luke Bautista, shares a special moment with Keath Gerald, a grateful heart and liver recipient.

You have the power to save lives.
